

MUHAMMAD ISHAQ

Front End Developer

Dear Hiring Manager,

Thank you for the opportunity to apply for the mention role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an efficient recent university graduate (3.32 CGPA, BS Computer Science) from SBBU Sheringal Dir Upper. During the course of my academic career, I also managed to accrue nearly 3 years of work experience. I had the privilege of working for Open Home Properties, Aqary International Property Portal in a Frontend Developer, Cloudtek in a Frontend Developer in my free time. In both my academic and professional life, I have been consistently praised as hard-working by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven interpersonal, problem-solving and teamwork skills, which I hope to leverage into the Software engineer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

MUHAMMAD ISHAQ
